

Lucky

My family just hates me
The way I am and how I acted
I've changed now
I was nice I was...
Humble, caring.
Not ...
A lifeless ignorant jerk
I miss what was
Me. I really do
I am, now, what I am
And I cannot, at all,
Change that.
Today, tomorrow, yesterday
I live, I will live, and lived
I did care
Once
About everyone
That has changed
And only I care
About a select few
If you're
Lucky
